JAMNAGAR

INSTITUTE

Vision & Mission

OUR VISION

“

To be an elite institute by creating technocrats who will contribute towards betterment of society.

OUR MISSION

01

To be a student centric institute imparting fundamental, experimental and innovative skill addressing societal problems for creating socially responsible citizens.

02

To strengthen linkages with employee, industry, alumni and other stake holders for the betterment of the institute.

03

To promote co-curricular and extra-curricular activities for overall personality development of the student.

From the Desk of the Principal

Dear Students, Parents, Alumni, Faculty Members and Well-Wishers,

It gives me immense pleasure to present the latest issue of "Sangeeti", the official newsletter of Government Polytechnic, Jamnagar. This publication reflects the vibrant academic environment, innovative initiatives, student achievements, and collective efforts that continue to shape our institution.

At Government Polytechnic, Jamnagar, we believe that technical education is not merely about acquiring knowledge—it is about developing skills, fostering innovation, nurturing ethical values, and preparing young minds to contribute meaningfully to society and the nation. Our goal is to create competent diploma engineers who possess technical excellence, professional integrity, leadership qualities, and a lifelong passion for learning.

During this semester, our institute has continued its journey of excellence through various academic, technical, co-curricular, and extension activities. The achievements of our students in technical competitions, industrial training, sports, cultural events, and community service reflect their dedication and the unwavering support of our faculty members. These accomplishments inspire us to aim even higher.

We remain committed to providing a student-centric learning environment supported by modern laboratories, digital resources, industry interaction, skill development programmes, and experiential learning opportunities. By encouraging innovation, creativity, teamwork, and problem-solving, we strive to equip our students with the knowledge and confidence required to excel in an ever-evolving technological world.

I sincerely appreciate the dedication and hard work of our faculty, administrative staff, students, alumni, industry partners, and parents, whose continuous support contributes significantly to the overall growth and success of our institution. Their collective efforts have strengthened Government Polytechnic, Jamnagar as a centre of quality technical education.

As we move forward, let us continue to embrace new challenges, explore emerging technologies, uphold the highest standards of professionalism, and work together towards building a skilled, innovative, and socially responsible generation of engineers.

I extend my best wishes to everyone for a bright, successful, and prosperous future.

With warm regards,

Prof. P. H. Kanani

ACHIEVEMENT

A Proud Moment for the Institute

Outstanding National-Level Performance at Robofest Gujarat 5.0

E.C. Team Receiving 2nd Prize Award

Mechanical Engg. Team Receiving Consolation Prize

E.C. Team with Robot "Nav-Lakshya"

Mechanical Engg. Team with their Robot & Cheque

Students of Government Polytechnic, Jamnagar put up an outstanding show in the AI Homobot category at Robofest Gujarat 5.0 — billed as India's biggest robotics competition — held at Gujarat Science City, Ahmedabad from 20th to 23rd March, 2026. Two teams from the institute made it to the Grand Finale and returned with prestigious honours, awarded by Shri Arjunbhai Modhwadia, Hon'ble Minister of Science & Technology, Government of Gujarat.

Electronics & Communication Engineering

2nd Rank • ₹3,00,000

The E.C. department team secured the 2nd Rank in the Grand Finale, impressing judges with their camera and AI-based robot "Nav-Lakshya" and taking home a cash prize of ₹3,00,000.

Mechanical Engineering

4th Rank • ₹2.25 Lakh Total

Competing for the first time, the Mechanical team built a camera and AI-based autonomous robot, blending mechanical design, CAD, 3D printing, electronics and programming.

Level 1: ₹25,000 **Level 2:** ₹1,00,000 **Grand Finale (4th):** ₹1,00,000

Team: Smit Vaghela, Om Bhalodiya, Om Patel, M. Ali Baloch

Mentor: Dr. Soham K. Teraiya

Congratulations to both teams and their mentors for bringing pride to the Institute! ❤️

CAMPUS HIGHLIGHTS

Distinguished Visit to Tech-Fest 2026 Stall

10th January, 2026

Hon. Smt. Rivaba Jadeja arrives at the institute's stall

Students briefing the Minister on their project

Institute team at the Tech-Fest 2026 stall

Hon. Smt. Rivaba Jadeja, Minister of State for Primary, Secondary and Adult Education, Government of Gujarat, graced the institute's stall at Tech-Fest 2026 with her visit. She interacted warmly with the students, reviewed their project displays and models with keen interest, and appreciated the innovative work being carried out at Government Polytechnic, Jamnagar.

Educational Visit to Vibrant Gujarat 2026

13th January, 2026

Students at the Vibrant Gujarat 2026 venue, Marwadi University, Rajkot

Students exploring the ESSAR exhibition stall

Faculty members at Vibrant Gujarat 2026

Students with faculty at the Vibrant Gujarat venue

More than 600 students, accompanied by faculty and staff members, travelled in 10 buses to visit Vibrant Gujarat 2026 at Marwadi University, Rajkot, as part of an educational excursion. The visit exposed students to cutting-edge industry innovations, government initiatives, and interactive exhibits — including a session at the ESSAR pavilion — broadening their understanding of emerging technologies and real-world industrial applications.

CAMPUS HIGHLIGHTS

Canteen Facility Launched at the Institute

7th January, 2026

Students being served refreshments at the new canteen

Faculty members at the canteen inauguration

Staff and faculty gather at the canteen premises

We are happy to announce the start of a new canteen facility at our institute, benefiting both staff and students. The "Mangalam Canteen" is run by the Navrang Mahila Sakhi Mandal, Vibhavar, Jamnagar. Our sincere gratitude to Principal Prof. P. H. Kanani and Lecturer Shri R. S. Oza for their efforts in making this facility possible.

Fire Safety & Rescue Training

20th January, 2026

Fire officer briefing students in the auditorium

Students attend the fire safety awareness session

Live demonstration of fire extinguisher use

A training programme was organised by the Jamnagar Municipal Corporation's Fire Department to equip students with essential rescue and safety skills for emergency fire situations. The session covered fire prevention, safe evacuation procedures, and the correct use of firefighting equipment, followed by a hands-on demonstration that gave students practical, first-hand experience in handling a fire extinguisher.

CAMPUS HIGHLIGHTS

Cyber Crime Awareness Programme

22nd January, 2026

Officers briefing students on cybercrime awareness

Students interacting with Cyber Crime Cell officials

Group session at the Cyber Crime Police Station, Jamnagar

Awareness material distributed to students

Students of the Mechanical and Electrical Engineering departments visited the Cyber Crime Police Station, Jamnagar, for an awareness programme. Officials briefed them on common cyber frauds, safe online practices, and the procedure for reporting cybercrime through the 1930 helpline and cybercrime.gov.in portal.

Campus Placement Drive — AMNS, Hazira

21st January, 2026

Company representative addressing students during the drive

Students attending the campus placement session

A campus placement drive was organised for Mechanical Engineering students of Government Polytechnic, Jamnagar and Government Polytechnic, Porbandar by ArcelorMittal Nippon Steel (AMNS), Hazira, Surat, offering selected students an annual package of ₹2.52 lakh.

Pre-Placement Talk & Interview — Maruti Suzuki

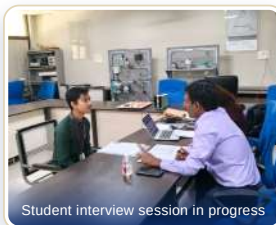

17th January, 2026

Pre-placement talk in progress

Panel conducting personal interviews

Student interview session in progress

Interview panel interacting with a candidate

Maruti Suzuki India Limited conducted a pre-placement talk followed by personal interviews for 2026 pass-out students of the Mechanical, Electrical, and Electronics & Communication branches, offering students a valuable opportunity to begin their careers with a leading automobile manufacturer.

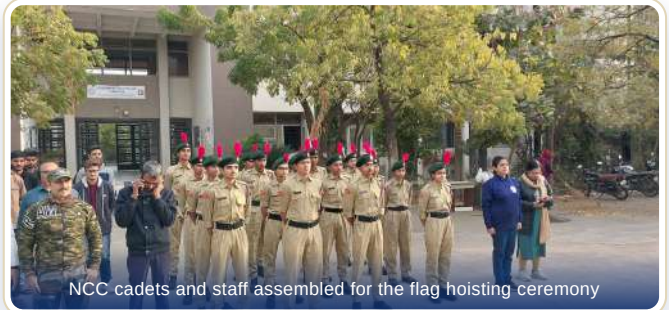

CAMPUS HIGHLIGHTS

Republic Day Celebration

26th January, 2026

Faculty, staff and students gather for the flag hoisting ceremony

NCC cadets and staff assembled for the flag hoisting ceremony

The Tricolour being hoisted at the institute

Staff, students and NCC cadets stand in salute

The institute celebrated Republic Day with the flag hoisting ceremony performed by Shri R. J. Gujarat, who is set to retire in May 2026. Faculty, staff and students gathered to pay tribute to the occasion, marking the day with patriotic fervour and reflection on the values enshrined in our Constitution.

Republic Day Celebration by NCC Cadets

26th January, 2026

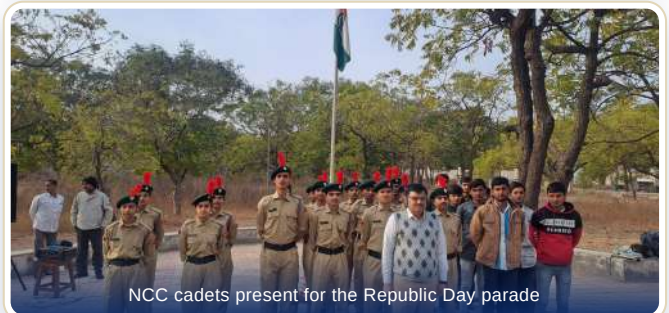

NCC cadets with faculty at the flag hoisting site

Cadets standing in formation before the ceremony

NCC cadets and faculty members after the ceremony

NCC cadets present for the Republic Day parade

The NCC unit of Government Polytechnic, Jamnagar marked Republic Day with a disciplined parade and flag hoisting ceremony of their own, reflecting the spirit of duty and nation-building that the corps instils in its cadets. Faculty members joined the cadets in commemorating the occasion.

CAMPUS HIGHLIGHTS

Cyber Security Awareness Seminar for Girls

11th February, 2026

Memento presented to the guest speaker

Students attending the cyber security awareness session

Dignitaries addressing the audience during the seminar

Girl students attending the awareness seminar

The Women Development Cell (WDC) and CAWACH Kendra jointly organised an expert lecture on "Be Smart, Be Safe Online: Cyber Hygiene, Cyber Crime & Cyber Security Awareness" for girl students, delivered by officials of the Cyber Crime Police Station, Jamnagar.

Essay Competition — Cyber Security Awareness

12th February, 2026

Students engaged during the awareness week activities

Faculty briefing students ahead of the competition

A faculty member addressing participants

Details of the Essay Competition on Cyber Security

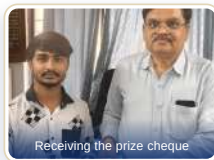

As part of the CAWACH Kendra initiative, an essay competition on "Cyber Security and Cyber Fraud Awareness" was organised to encourage students to think critically about safe digital practices.

Robofest 5.0 — Second Round Winners

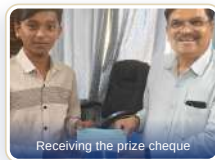

12th February, 2026

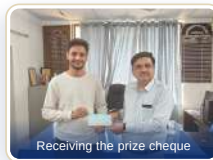

Winning team members with the Principal

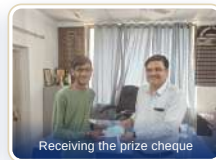

Receiving the prize cheque

Receiving the prize cheque

Receiving the prize cheque

Receiving the prize cheque

Students who excelled in the second round of Robofest 5.0 received prize cheques of ₹1,00,000 each from Principal Prof. P. H. Kanani, in recognition of their outstanding performance.

Cricket Team — Runners-Up, GTU Zonal Tournament

9th February, 2026

The cricket team with the runners-up trophy and Principal

The cricket team with faculty members

The Government Polytechnic, Jamnagar cricket team put up a spirited performance to finish as Runners-Up in the GTU Zonal Cricket Tournament held at B. H. Gardi College, Rajkot.

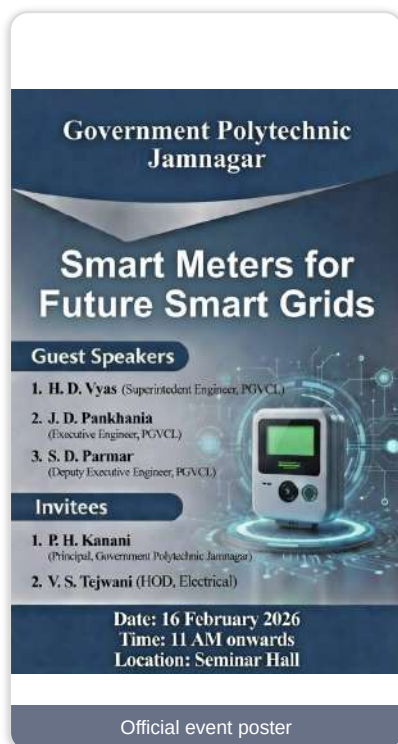

EXPERT LECTURE

Smart Meters for Future Smart Grids

An Industry-Institute Interaction with PGVCL

Electrical Engineering Department & PGVCL Expert Talk

16th February, 2026

The Electrical Engineering Department, in association with Paschim Gujarat Vij Company Limited (PGVCL), organised an expert lecture on **"Smart Meters for Future Smart Grids"** at the Institute Seminar Hall. The session, held under the Viksit Bharat Yuva Connect initiative, introduced students to the working, benefits, and future scope of smart metering technology in India's evolving power distribution network.

Guest Speakers (PGVCL)

- Shri H. D. Vyas — Superintendent Engineer
- Shri J. D. Pankhania — Executive Engineer
- Shri S. D. Parmar — Deputy Executive Engineer

Invitees

- Prof. P. H. Kanani — Principal, Government Polytechnic, Jamnagar
- Prof. V. S. Tejwani — HOD, Electrical Engineering

Our sincere thanks to the PGVCL officials for enriching our students with valuable industry insights! ✨

CAMPUS HIGHLIGHTS

Nayara Foundation — Certificate & Kit Distribution

19th February, 2026

Certificates and training kits being distributed to students

The Mechanical Engineering Department, in association with the Nayara Foundation, organised a valedictory function marking the successful completion of a skill-development training programme for students. Certificates and training kits were distributed to the participating students by the dignitaries on the dais, recognising their dedication and successful completion of the course.

DDCET Awareness Seminar

25th February, 2026

ACPC officials briefing students during the awareness session

Students attending the DDCET awareness seminar

Officials guiding students on the registration process via QR code

Officials from the Admission Committee for Professional Courses (ACPC), Ahmedabad, conducted an awareness seminar on the Diploma-to-Degree Common Entrance Test (DDCET) for 6th semester students at the Institute Seminar Hall. The session covered eligibility, application procedure, and the pathway for diploma students to pursue degree engineering and pharmacy programmes.

PLACEMENT ACTIVITIES

Mega Placement Camp 2026

6th & 7th March, 2026

61

COMPANIES PRESENT

1233

STUDENTS PRESENT

437

STUDENTS SELECTED

Government Polytechnic, Jamnagar, as the Nodal College for Zone-5 (Node-4 & 9), hosted the Mega Placement Camp for District Jamnagar & Devbhoomi Dwarka, organised by the Commissionerate of Technical Education, Gujarat. The two-day mega drive saw enthusiastic participation from companies and students alike, offering a wide range of career opportunities to the graduating diploma students across disciplines.

Campus Placement — Civil Engineering Students

2nd June, 2026

A campus placement drive was organised for Civil Engineering students, giving them the opportunity to interact with company representatives and appear for personal interviews as part of the recruitment process.

PLACEMENT ACTIVITIES

Pre-Placement Talk & Interview — Saint-Gobain India Pvt. Ltd.

10th February, 2026

Saint-Gobain India Pvt. Ltd. conducted a pre-placement talk followed by personal interviews for final-year students of the Mechanical, Electrical, and Civil Engineering branches. The session introduced students to the company's legacy and operations, followed by one-on-one interviews, offering a valuable opportunity to begin their careers with a globally renowned organisation.

Wishing all the shortlisted students the very best for their careers ahead! 🎉

WOMEN'S DAY CELEBRATION

Women's Day Celebration by UltraTech Cement

Celebrating Women, Celebrating Strength

In Association with Lady Staff Members of the Institute

7th March, 2026

Lady staff members with UltraTech Cement gift kits

Cake-cutting ceremony as part of the celebration

UltraTech Cement representative addressing the gathering

Staff members interacting during the session

UltraTech Cement, Jamnagar, celebrated International Women's Day with the lady staff members of our institute. The event included an interactive session and a cake-cutting ceremony, along with the distribution of gift kits, in appreciation of the invaluable contribution of women in the workplace.

A big thank you to UltraTech Cement for this warm gesture! 🍰

WOMEN'S DAY CELEBRATION

District-Level International Women's Day Celebration

Participation of Female Staff and Students

Organised by Women & Child Development Department, Govt. of Gujarat

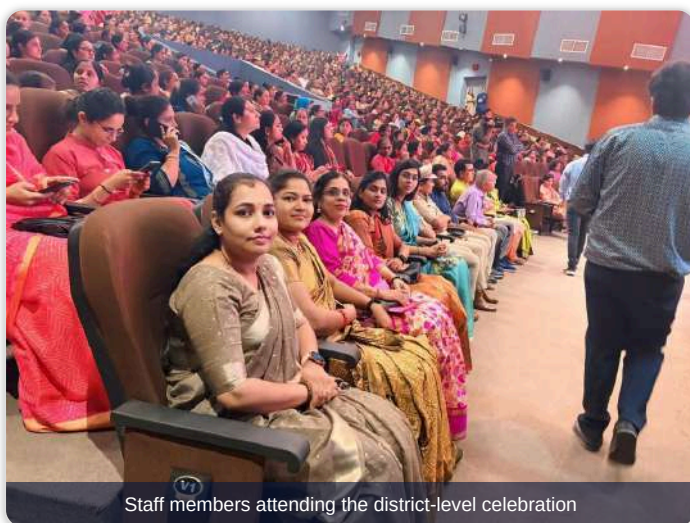

10th March, 2026

Students and faculty at the Mahila Swarojgar Mela

Dignitaries on stage during the district-level celebration

Staff members attending the district-level celebration

Students and staff among the large gathering at the event

Female staff members and students of the institute participated in the district-level celebration of International Women's Day, organised by the Women and Child Development Department, Government of Gujarat. The event included the Mahila Swarojgar Mela and a felicitation programme recognising the achievements and contributions of women across various fields.

SPECIAL SESSION

India AI Impact Summit 2026

Experience Sharing Session

An Initiative by Shri B. H. Talati (IAS), Commissioner of Technical Education

9th March, 2026

As part of the India AI Impact Summit 2026, an experience-sharing video session was organised across the institute, an initiative led by Shri B. H. Talati (IAS), Commissioner of Technical Education, Gujarat. Students across various classrooms viewed the session together, gaining valuable insights and key takeaways from the summit and building awareness of emerging developments in the field of artificial intelligence.

Educational Visit to Pump House — Civil Engineering Department

16th March, 2026

Final year students of the Civil Engineering Department visited the Pump House as part of an educational site visit, gaining practical exposure to water treatment and pumping station operations.

CAMPUS HIGHLIGHTS

Kaynes Semicon OSAT Facility Inauguration Visit

31st March, 2026

Students at the Kaynes Semicon OSAT facility site in Sanand

Students en route to Sanand for the facility visit

Students seated at the inauguration ceremony venue

Our college students had the opportunity to witness a significant milestone in India's semiconductor vision by attending the inauguration of Kaynes Semicon's OSAT facility in Sanand, inaugurated by the Hon'ble Prime Minister. Shri D. D. Vadalia and Smt. J. D. Vadalia made commendable efforts in coordinating and organising the trip efficiently, ensuring a smooth and well-managed visit.

Admission Awareness Program (ACPC Seminar)

11th April, 2026

Dignitaries on the dais during the program

Guest speaker addressing students

Career pathways after 12th Science explained

Programme convener addressing the gathering

The Admission Committee for Professional Courses (ACPC) conducted an Admission Awareness Program for Std. 12th Science candidates aspiring for undergraduate professional courses, held at the Institute Seminar Hall. The session covered various career pathways and admission procedures available to students after 12th Science.

Industrial Visit — Aashirwad International, PH II (CAD/CAM)

22nd April, 2026

Faculty member explaining CNC machine operations to students

Students with faculty during the industrial visit

Sem 6 students of the Mechanical Engineering Department visited Aashirwad International, PH II, for an industrial visit focused on CAD/CAM applications. The visit gave students hands-on exposure to CNC machining operations and real-world manufacturing processes.

CAMPUS HIGHLIGHTS

Cyber Security Awareness Session

6th May, 2026

Police Inspector A. V. Piparotar briefing students on cyber security

Students attending the cyber security awareness session

Officials interacting with students during the session

An awareness session on Cyber Security was arranged for 2nd semester students of the Civil and Electrical Engineering departments, conducted by Police Inspector A. V. Piparotar of Bedi Marine Police Station.

STUDENT ACHIEVEMENTS

Cricket — U-19 District Team

Malay Joshi Selected for Jamnagar Rural U-19 Team

Electrical Engineering Department student Malay Joshi has been selected for the Jamnagar Rural U-19 District Cricket Team. Heartiest congratulations to him on this wonderful achievement and best wishes for a bright and successful future ahead!

Project Exhibition — May 2026

EC Department's Best Project Team Felicitated

The project "Wireless Remote Controlled Mobile Sensor Nodes" was selected as the Best Project by industry experts at the Project Exhibition, May 2026. Developed by 6th semester students Abdulla, Aamana, and Tabassum, the team was felicitated by the EC Department with a trophy, certificate, and cash prize of ₹500, in the presence of Dr. N. M. Rindani (Faculty, AVPTI). Heartiest congratulations and best wishes for a bright future!

CAMPUS HIGHLIGHTS

ACPDC Admission Awareness Program

9th June, 2026

Dignitaries on the dais during the program

Programme convener addressing the gathering

Students attending the session

The Admission Committee for Professional Diploma Courses (ACPDC) conducted an Admission Awareness Program at the institute to guide aspiring students through the diploma engineering admission process, covering eligibility criteria, application procedures, and the various diploma programmes available.

International Yoga Day Celebration

21st June, 2026

Faculty and students participating in the Yoga Day session

A large gathering at the Police Parade Ground

Students and staff seated for the session

Faculty and students of the institute participated in the International Yoga Day celebration held at the Police Parade Ground, Jamnagar, themed "Yoga for Harmony & Peace," joining participants from across the district in a mass yoga session promoting physical well-being and collective wellness.

FAREWELL

A Fond Farewell!

Honouring the Retirement of Shri R. J. Gujarati

Instructor (Grade-B), Electrical Engineering Department

29th May, 2026

Government Polytechnic, Jamnagar bids a heartfelt farewell to Shri R. J. Gujarati, Instructor (Grade-B), on his retirement. We sincerely thank him for his years of dedicated service, commitment, and valuable contributions to the institute and its students. Wishing him a happy, healthy, and fulfilling retired life ahead.

Thank you and best wishes for your new journey! ❤️
