PRINCIPAL'S MESSAGE

Shree. H. J. Baldaniya

It has always been our belief that every student has an unending pool of talent that needs to be fostered. A proper care and guidance will help the students to develop right attitude, values and practices that enable each individual to excel in future.

The main focus of our Institution is to empower students with sound knowledge, wisdom, passion for innovation and latest know-how in cutting-edge technologies to experience and face the challenges of Industry 4.0 in a highly networked global perspective.

Computers have become an inherent part of our routine life. No department or business can be thought of being fully functional and automated without the use of computers. Our department provides a platform for the students to enhance their employability skill which helps us in achieving our objective of preparing students for a successful career.

MESSAGE FROM HOD

It is a pleasure to head the Department of Computer Engineering in Government Polytechnic Jamnagar. We are a team of experienced and motivated faculty members who are in process of tuning the young engineers through innovative teaching-learning process. Highly motivated students and researchers are our strong team members too, who are always eager to grab the opportunity to upgrade their skills.

Shree. C. G. Ajudiya

MISSION OF THE DEPARTMENT

M1: To inculcate into students practical skills.

M2: To facilitate students with suitable environment to develop their logical and analytical skills

M3: To make available modern technology and related tools for hands-on experience.

M4: To inculcate interpersonal skills and ethical values into the students so that they can become successful professionals.

VISION OF DEPARTMENT

TO BECOME A CENTRE OF EXCELLENCE AND GENERATE COMPETENT PROFESSIONALS IN THE FIELD OF COMPUTER ENGINEERING FOR THE BETTERMENT OF THE NATION AND SOCIETY AT LARGE.

PSOs

PSO I : ABLE TO DEVELOP COMPUTER SOFTWARE SUCH AS WEB APPLICATIONS AND DESKTOP APPLICATIONS USING APPROPRIATE TOOLS.

PEOs

PEO1 : Pursue higher education in engineering to enhance knowledge and skills gained in diploma.

PEO2 : Develop career as professional in software industry, networking, database administration etc.

PEO3 : Develop innovative and entrepreneurial attitude in order to start an enterprise.
