PASSION

[1st July 2023, Vol. 19, Issue 1]

INSTITUTE VISION

- To be an elite institute by creating technocrats who will contribute towards the betterment of the society.

INSTITUTE MISSION

- To be a student centric institute, imparting fundamental, experimental and innovative skills, addressing societal problems for creating socially responsible citizens.
- To strengthen linkage with employers, industries, alumni and other stakeholders for the betterment of the institute.
- To promote co-curricular and extra-curricular activities for overall personality development of the students.

ELECTRICAL DEPARTMENT VISION

- Impart quality education with focus on technical skills relevant to meet changing global industrial and societal needs.

ELECTRICAL DEPARTMENT MISSION

M-1. Inculcate technical skills into students and make them employable.

M-2 Continually upgrade faculties and laboratories to meet global technological demands.

M-3 Enhance personality of students through co-curricular activities.

M-4 Promote the use of renewable energy and energy conservation.

✚ **“Plastic Free Cleanliness Drive”** organized on date 17th March 2023 at Electrical Department of Government polytechnic Jamnagar. Around 70 Students of electrical department participate in this event. The principal of the institute, Shri. H J BALDANIYA sir encourage the students regarding worldwide awareness and action for the protection of our environment from plastic pollution.

✚ Department H.O.D V V BHUVA sir also provides awareness among the students on the hazards of single use of plastic and to motivate them towards the use paper or fabric (Cotton or Jute) bags. Under this drive the plastic waste was collected from each and every place of the Campus. The main motive behind this one day drive was to spread the awareness about the proper disposal of plastic waste so that it can be recycled or converted into energy.

- ✚ On Date 29/04/2023 one day STTP on “MONITORING AND CONTROL OF INDUCTION MOTOR” organized at Siemens, center of excellence (COE) by Electrical department, Government Polytechnic, Jamnagar. Siemens Centre of Excellence is a platform for the students to meet industrial need.
- ✚ The inauguration of the STTP begins with the chanting of prayer by the students of semester 4th of Electrical Engineering department. Shri V.V. Bhuvra (Head of Electrical Department) give brief introduction about the course and give positive energy to the participants.
- ✚ In this One day workshop Shree M.D. Bhandari and Shree R J datani gives importance knowledge about Induction motor and its control, participates also did hands on practice on drive units.
