## INSTITUTE VISION

- To be an elite institute by creating technocrats who will contribute towards the betterment of the society.

## INSTITUTE MISSION

- To be a student centric institute, imparting fundamental, experimental and innovative skills, addressing societal problems for creating socially responsible citizens.
- To strengthen linkage with employers, industries, alumni and other stakeholders for the betterment of the institute.
- To promote co-curricular and extra-curricular activities for overall personality development of the students.

## ELECTRICAL DEPARTMENT VISION

- Impart quality education with focus on technical skills relevant to meet changing global industrial and societal needs.

## ELECTRICAL DEPARTMENT MISSION

M-1. Inculcate technical skills into students and make them employable.

M-2 Continually upgrade faculties and laboratories to meet global technological demands.

M-3 Enhance personality of students through co-curricular activities.

M-4 Promote the use of renewable energy and energy conservation.

✚ Mr. Sandip Bhanderi, an esteemed alumnus of our college, delivered an expert lecture to the students of the electrical department on 21/07/2023. His insights and knowledge were invaluable, inspiring the students in their academic pursuits.

🌱 On 24/07/2023, SSB (Sima Suraksha Bal-India) collaborated with our college for a successful tree plantation drive. Together, they contributed to environmental conservation and community engagement in promoting a greener future.

✚ Congratulations to all our college students and faculties who actively participated in the Semicon India 2023 event, contributing to the growth and development of India's Semiconductor Ecosystem. Your passion and dedication have played a vital role in catalyzing advancements and innovation within the industry during the event held on July 28-30, 2023.

## Active Participation of Shri Vinod Tejawani & Shri B B Chauhan in New India Vibrant Hackathon-2023 certificate
