# PASSION

[1<sup>st</sup> May 2022, Vol. 17, Issue 1]

## INSTITUTE VISION

- To be an elite institute by creating technocrats who will contribute towards the betterment of the society.

## INSTITUTE MISSION

- To be a student centric institute, imparting fundamental, experimental and innovative skills, addressing societal problems for creating socially responsible citizens.
- To strengthen linkage with employers, industries, alumni and other stakeholders for the betterment of the institute.
- To promote co-curricular and extra-curricular activities for overall personality development of the students.

## ELECTRICAL DEPARTMENT VISION

- Impart quality education with focus on technical skills relevant to meet changing global industrial and societal needs.

## ELECTRICAL DEPARTMENT MISSION

M-1. Inculcate technical skills into students and make them employable.

M-2 Continually upgrade faculties and laboratories to meet global technological demands.

M-3 Enhance personality of students through co-curricular activities.

M-4 Promote the use of renewable energy and energy conservation.
